

Activ Essential 20W-40

Essential Protection for a Trouble Free Ride

Description

Bike maintenance can be expensive, but poor engine oils can risk the essential protection of your engine, and hurt the value of your bike.

Application

Castrol Activ ESSENTIAL 4T is suitable for all 4-Stroke motorcycle engines where JASO MA specifications are recommended.

Conditions of Use

When choosing oil, please refer to your owner's handbook and the product specifications shown below. May also be suitable for other bikes.

Advantages

New Castrol Activ ESSENTIAL 4T:

- provides essential protection for your engine
- keeps the engine clean, enables good clutch engagement and protects the gears
